## PIEDMONT PINES SERENITY

Enter this alluring home through an inviting private yard complete with Koi pond, Japanese maple, azaleas and camellias. This four bedroom, three plus bath home with spectacular S.F. Bay views offers privacy and a peaceful ambiance that will hold you spellbound. Enjoy the view from the kitchen, dining or living room areas, the romantic Master Suite w/ fireplace or the well designed slate balcony connecting to the fenced yard. The fourth bedroom has a private bath & French doors leading to a flag stone patio. Hexagon and oversize windows, Bamboo floors, remote control skylights, and two car garage are some features that make this home exceptional. Its architectural details are unique and graceful. Come home & relax!
