

A NATURAL BEAUTY

This exquisite home is overflowing with character and will engage you from the moment you set your eyes on it. The main entry beckons you to a bygone era, announcing gorgeous Craftsman detailing, high coved ceilings throughout, natural old growth wood paneling, wood floors with mahogany inlay, pocket doors and a myriad of stately, oversize wood cased windows - some of them leaded stained glass. There are fireplaces in the formal living and dining rooms. Visions of holiday dinners will come to mind. What a wonderful place to call home!
